

ROLL·IN·SAW

UNCOMPROMISED AMERICAN PRECISION

DT1340

“The Deep Throat Journeyman” provides the strength and agility to make straight or detailed cuts on 13" material. This saw is designed to provide you decades of service.

This saw is perfect for any tool room, model shop, or manufacturing that requires complex cutting.

Extend the life of the saw blade by utilizing the chip blower; adjusting the blade speed with the inverter drive digital keypad; or by using the optional saw blade welder, grinder, & shear
